**Registration of Domestic Foals after Year of Birth** -- Usual fees plus cost of DNA typing, plus penalty of \$50 for first year and \$25.00 for each additional year registration is not completed

Note 1: There is a \$10.00 per animal discount on Applications for Registration sent to the Registry office and postmarked before the animal is 6 months of age.

Note 2: There is a \$10.00 per animal discount on Applications for Registration for male foals that have been gelded prior to submitting the Application. A gelding certificate or vet statement is required.

Note 3: Applications for Transfer received more than 90 days after date of sale will incur, in addition to the regular fee, a penalty of \$25.00.

**Reminder on Stallion Licensing** - All licensed stallions require DNA testing. Foals born on or after 1/1/99 must be sired by a fully licensed stallion in order to be registered. Stallions licensed previously by either HRNA or HAA that have vet inspections (absence of mouth defects and cryptorchidism) and DNA type on file are fully qualified with AHR. Renewal fee due annually by October 25<sup>th</sup> after year of initial licensing.

**Artificial Insemination** - Foals born after 1/1/98 that are a result of Artificial Insemination (AI) with semen that is transported from one farm to another must have proof of parentage through DNA typing (foals registered as geldings excluded). . All foals from Frozen Semen must be DNA typed.

**Minimum Breeding Age** – The minimum breeding age for both mares and stallions is three (3) years. Age is determined from January 1<sup>st</sup> of the year of birth.
